### LAPLANTE NAMED CIAU ATHLETE OF THE WEEK

Concordia hockey star, Richard Laplante, a Chicago Black Hawk draft selection was named Canada's CIAU ATHLETE OF THE WEEK on Monday, November 9th, 1987.

Laplante netted five goals in Saturday's 6-3 win over Ryerson and continued his scoring exploits with one goal and an assist in Sunday's 2-2 tie with Windsor.

Laplante is a Business Administration student from Boucherville, Quebec. The 20 year old had 72 points with Longueuil of the Q.M.J.H.L. last year and also competed in the Memorial Cup.

"With key players Chartrain and Deegan out for the weekend, Laplante took charge" said Coach Paul Arsenault. "He could be the most explosive player in the CIAU this year".

Laplante is currently on a 10 game scoring streak with fourteen goals and sixteen assists. Laplante starred for Richelieu in Midget "AAA" where he is the second all-time leading scorer. He was also a teammate of goalie Daniel Berthiume of the Winnipeg Jets.
